## Historical Summary:

**Status** (Current Listing or Designation)

National:  indiv.  district  landmrk.

State/Province:  indiv.  district  landmrk.

Local:  indiv.  district  landmrk.

## Evaluation (Preparer's Assessment of Eligibility)

### Recommendation

- Individually eligible
- Eligible as contributing resource
- Not eligible / non-contributing
- Not determined

### Level of potential eligibility

- National
- State
- Local

### Landmark potential

- National
- State
- Local

**Description/Remarks**

This is a 1-story commercial building built in 1924. Exterior walls are original brick veneer. The building has a flat roof clad in replacement rolled tar. Windows are original wood multipane casements. This site appears to be a staging area for concrete hauling trucks. The overall design intent appears to have been retained despite modifications to materials.
