**25. (continued) COMMENTS/HISTORICAL INFORMATION:**

This is a 2-story, multiple-bay commercial building in the 20th Century Commercial style built in the period 1920-1929. The building is irregular in plan. The structural system is frame. The foundation is undetermined. Exterior walls are original stone veneer and replacement vinyl siding. The building has a multi-plane hip roof clad in replacement asphalt shingles. There is one offset left, side slope, brick chimney. Windows are modern aluminum, 1-light fixed. The residential portion has replacement 1 over 1 double hungs. This building has a massive residential component attached and as such is a mixture of forms, materials, and styles. Windows and cladding replacements, door replacements.
